Custom Configurator Pricing Option

Who can set custom pricing on the Configurator?

- Only dealers who have an eCommerce enabled Site with SimplePart are able to set custom Accessory pricing for their Configurator.
- For those who do not have a Parts Site with SimplePart, their Configurator pricing will be set to MSRP.

I have a Site with SimplePart, what custom pricing can I set for my Configurator?

- Dealers are able to set custom Accessory pricing for their Configurator.
- Labor Rate and Labor Time are set within the SimplePart Control Panel, and are transmitted to Insignia once per week (Monday).

If you would like to set up custom Configurator pricing, email or call SimplePart's Support team to request the additional functionality. Once done, you'll be able to customize your Accessory pricing on your Configurator easily using the Control Panel dashboard.

Setting pricing for your Parts Site

Make sure this is your parts site URL e.g. parts.dealername.com.

The screenshot shows the SimplePart Control Panel dashboard. At the top, there is a navigation bar with tabs for ORDERS, CUSTOMERS, RESEARCH, INVENTORY, SETTINGS, and HELP. Below this is a secondary navigation bar with buttons for RECENT ORDERS, SEARCH ORDERS, NEWS, REPORTS, and SEND QUOTE. On the right side of the dashboard, there are three main sections: EDIT ORDER (with an Order # input and GO button), EDIT PRODUCT (with a Stock Code input and GO button), and FIND CUSTOMER (with a Name input and GO button). The main content area is divided into two sections: Media Sets for this Website and Price Sets.

Media	Price Set	
Volkswagen Accessories	Cost+19	EDIT
Volkswagen DriverGear	Default	EDIT
Volkswagen-MOTOR-USA	Cost+23	EDIT
Volkswagen-MOTOR-USA - Quick Start	Cost+23	EDIT

The Price Sets section includes a dropdown menu with the following options: Default, Cost+23, and Cost+19. Below the dropdown are two buttons: ADD NEW and DELETE.

Setting pricing for your Configurator

Make sure this is your Configurator endpoint. e.g. insignia.parts.dealername.com.
