

Your Guide to the Sunbit Integration

Last Modified on 07/24/2023 5:07 pm EDT

SimplePart now provides yet another payment option for your VW Online Parts Counter: [Sunbit](#). Sunbit is a “buy now, pay over time” technology that provides a simple interface for purchase financing, and it will fit seamlessly into your current program website.

Since **customers increasingly expect “buy now pay later” payment options**, Sunbit will be a particularly useful tool for you as a dealer. Sunbit technology enables merchants to provide access to fast, fair, easy financing available to consumers across the credit spectrum.

After you opt to implement it into your parts site, you will see the Sunbit option across different points of your website, including the Product Page, the Cart Page and the Checkout Page. Customers will be able to easily select this option as their preferred method of payment when they check out.
